Additionally, you might want to describe further your program and how it is implemented: What I usually do is sit the kids down and start off with a song like "This Ol' Man." I use a puppet to go along with the song. I then bring out a story like the "3 Little Pigs" and use puppets for the story. We spend some time working on 9 piece puzzles, and end it with free time with farm animals. We live in an agricultural area. Hence, farm animals.
